

Office Memorandum • UNITED STATES GOVERNMENT

TO : [REDACTED], Chief STATINTL
Fiscal Division
FROM : [REDACTED] Chief STATINTL
Personnel Division
SUBJECT: Retroactive Promotions While on MLWOP

DATE: 15 May 1946

Confirming our recent conversation concerning the authority of this Agency to make certain promotions while employees are on Military Leave, it is requested that a letter be prepared to the Comptroller General, asking for an opinion on this subject.

After a thorough review of your own case, it is felt that this would be a good example for use in requesting an opinion from the Comptroller General. We will be glad to make all records of this office available to your Division for use in the preparation of such a request.
